

Livingston Old Parish

Activities for Sunday 17th May

Watch John 14:15-21

Prayer Activity

Cut out a heart shape and write "Love God" on one side, and "Love Others" on the reverse side.

Jesus' commandment is very simple: loving others is so easy as long as life does not get in the way! Take a moment to pray for people who you struggle to love, remembering that we are all children of God.

Love Bookmarks

You will need: card in any colour you like, a small heart punch, heart stickers, felt tip pens & ribbon.

Take a strip of card and punch a small heart shape centre top

Now give them a piece of ribbon and ask them to fold it in (use an ordinary hole punch or carefully pierce a hole with scissors, then thread ribbon through to create a bookmark.

Think about love and how it feels to be loved. Think about those you love and who love you. Think about Jesus loving you and promising to send a helper to all those who love him. Think how you could share love with others and be a helper to others. Maybe you might wish to give someone you love the bookmark you have made.
