**Prayer Activity**—Cut out an arrow on paper or card, decorate it any way you would like. One of the most famous phrases in John's gospel from Jesus is his explanation to his disciples: "I am the way, the truth, and the life."

*Take your arrow in your hands while you reflect on the journey you have taken in your own life and what it means for you to know you are called, that you are known and that you are included*

**Junk Model House**

***You will need: an empty box and other recycling materials to create a house, coloured paper, glue sticks, scissors, sticky tape, pencils, collage scraps.***

*Take your recycling materials and build a house, cut out shapes and stick them to the sides of the house to make the details such as doors, windows, curtains, letter box using paper and collage materials.*

*Think about the importance of having a place to call home. Think about unusual/ different places you have stayed in even for a holiday (for example a tent, pod, canal boat, castle). Think about Jesus promising a place for every person in God's house and within God's love: that all are welcome.*
