Prayer Activity

Take an item that represents an insurmountable block to moving on, such as a chain, padlocks or even a key. Hold it in your hand as you take time to think about things that seem beyond our capacity to overcome, the challenge is just too big for us to even consider seeing our way past.

- *Have you ever put a block in the way of another person by not forgiving them for some action they did to you?*
- *What has that done to you and your own relationship with that person?*

Ask for God's help to overcome this.

Growing Hearts

You will need: card, scissors, stickers, crayons, ribbon, staples, stapler.

Take the card and cut out five hearts in different sizes and decorate them with crayons and stickers. Take a length of ribbon and lay the hearts onto it from smallest to biggest. Staple the hearts onto the ribbon.

Think about how God forgives us with the biggest heart of love and asks us to forgive others.

Please post photo's of your crafts in the comments of the Sunday service post.
