

# Livingston Old Parish

## Activities for Sunday 14th February 2021

Mark 9:2-9

### Prayer Activity

Pick up and switch on a torch, shine it all around.

As you prepare yourself for worship today reflect on someone whom you admire.

- If you could send a Valentine card to a prominent person, who would you send it to and why?

Thank you for good role models that inspire us. Amen

Sing <https://www.youtube.com/watch?v=wDgmJFw6F64&pbjreload=101>

### Shining Faces age 3-5

*You will need: holographic card cut into oval face shapes (or cover one side of the card with tinfoil), felt-tip pens, Sharpies, scissors, wool, PVA glue and glue spreaders, hole punch, ribbon.*

*Punch a hole in the top of your oval card. Place it shiny side down and then draw the features on the face and add hair to the face by gluing on wool. Now turn the face over and again draw the same features and add hair to the shiny side. Take the ribbon & thread through the hole at the top to allow the face to spin from plain to shiny. Think about the story and the amazing way Jesus changed and shone when he was on the mountaintop.*

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
