### Prayer Activity

Take a moment to reflect on the past months and years.

When have been the moments you have felt closest to God?

Has it been during worship? Or in quiet times? Or even in unexpected moments?

Take a moment to be in God's presence and listen to the song.

### **Love Takes Time To Grow age 3-8**

***You will need: a small plant pot, poster paints in the colours of the rainbow and paintbrushes if using clay pots, rainbow-coloured stickers if using plastic pots, compost and seeds.***

*Take your plant pot and decorate it in the colours of the rainbow trying to use all the colours of the rainbow. Once dry or decorated take some compost and seeds and place in your pot.*

*Think about how seeds grow, that they take time to grow, that they have to be cared for and watered and that they have to find a good place to grow healthy and strong.*

*Think about love being like the seeds and taking time to grow in us too. Think about the love God shows to us and the love we should show to others so that we are all living kindly towards each other. What ways do you they you can grow and show God's love.*

**Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>**
