Prayer Activity

What gets you angry? Draw a picture of an angry face and hold it in your hands.

- in silent prayer take these to God.
- take this further and think about ways you can positively act on this anger.

Was following the recipe easy or a bit difficult? Did everything turn out the way it should have, or was it a bit of a disaster? God gave us the 10 commandments as a direction and sometimes they are really hard to follow but when we do then things normally turn out right. What happens when you keep your room tidy? Parents are happy. What happens when you do your homework? Parents are happy again. What happens when you visit your grandparents? They are delighted. If you did not do these things life would be a bit tougher. What happens when people talk about Jesus and try to help others? God is happy!

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
