Prayer Activity

Eat some grapes or raisins

Over the last weeks in our gathering activities, we have taken time to look back on things, people, activities we are missing due to restrictions brought about by Covid-19.

- What about your current situation would you like to prune, to stop doing, to do without?
- Could you do that now?
- Do you need to continue with it until restrictions are fully lifted?

Help me lord to decide what is important. Amen

Bubble Wrap Printing Vine age 6-8

You will need: sugar paper, poster paint (brown, green and purple), paper plates or paint trays, paint brushes, a bunch of grapes, bubble wrap, images of vines.

Take a sheet of paper. Look at the bunch of grapes and how the stalk works with the grapes growing off the stalk. Look at images of vines and think about vines and branches. Put small amount of each colour of paint on paper plates. Paint a stalk or vine using brown paint. Take a small piece of bubble wrap and cover it with purple paint and then print onto sugar paper to form grapes. Print a few times and on a few different areas with the same piece of bubble wrap and paint to get more definition from bubbles and less of a splodgy mass. Repeat until you are happy with how the picture looks and then add on green leaves.

Think about how we are connected with each other and with Jesus. Think of ways we can strengthen those connections with loving actions and words.

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
