

Livingston Old Parish

Activities for Sunday 11th April 2021

John 20:19-31

Prayer Activity

It is more than a year since most nations have had to deal with the pandemic and all the changes it has brought to communities, nations, and individual families.

- When you look back over the past year, what are you doing now that you never imagined you would be doing or thought even to be possible?
- What new skills have you learnt?

Thanks you Lord for my new skills. Amen

Finger Puppets

You will need: small card tubes, crayons, PVA glue, glue spreaders, scraps of paper, wool and fabric, stickers, feathers and other collage materials.

Take your card tube and make either a Thomas or a Jesus figure by drawing a face on the top part of the tube on one side and then using collage materials to make clothes, hair and so on. Use the puppets to retell the story. Think about how it feels to get a surprise, to see someone after a long time. Think about the importance of friendship.

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
