Prayer Activity

- Who is your most unlikely friend?

Perhaps you think about someone you seem to have little in common with or who comes from a very different background to you, and yet with whom you have a close friendship. Take a moment to pray for that person as you prepare for worship **Amen**

Friendship Token

You will need: coloured card cut into heart shapes, hole punch, ribbon, felt tip pens, small stickers, scissors.

Take a few heart shapes. Design the front of the heart using felt tip pens and stickers with a particular person in mind. Write a message on the back of the heart. Punch a hole in the heart and to add ribbon for hanging.

Think about friendships: where/ how do you make friends, why friends are important.

Give the hearts you have made to your friends this week
