Hands Up

You will need: cardboard tube (either made from rolling a length of thin card and securing with tape or use card tube from inside of kitchen roll), card, scissors, felt tip pens, sticky gems, sticky tape.

Take a sheet of card and draw round your hand and cut it out. Write your name on one side of the hand shape using felt tip pens and then write 'yes' on the other side of the hand shape. Decorate the rest of your hand shape using sticky gems. Attach the hand to near the top of the cardboard tube using sticky tape.

Following on from the Prayer Activity, think about things you can say yes to being able to do. Think about Isaiah saying yes to God and how we can say yes to God in the way we live our lives.

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
