Prayer

Some simple questions to reflect on:

- What are our 'Goliaths' today?
- During the pandemic what Goliaths have we as individuals and as a community faced?
- What 'Goliaths' might we have to face in the months to come as individuals and as a faith community?

God, give us the strength to confidently face our Goliaths. **Amen**

David's Life

You will need: a smooth stone, posca pens or paint and brushes.

Think about David preparing to meet Goliath. Think about the armour he was given and why he refused to wear it. Think about him choosing to use his sling and five smooth stones from the stream because he knew was good at using his sling when he was looking after the sheep. Think about the things you feel you are good at and also how important it is for you to use those things for doing good.

Take a smooth stone and draw on the stone a picture of this part of David's story (such as choosing the stones, facing up to Goliath, in his oversized armour).

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
