Puppet King age 3-8

You will need: wooden or plastic spoon, gold card, scraps of fabric and wool, felt tip pens, dot stickers or small googly eyes, scissors, PVA glue, glue spreader, elastic bands, sticky tape.

Take your spoon and draw a face on it using felt tip pens. Googly eyes or dot stickers could be used for the eyes. Add wool hair, using PVA glue and then make a small gold crown, cut out of gold card and attached by using glue. Make a robe and cloak for the king using scraps of fabric. These can be secured just under the round part of the spoon by using elastic bands or sticky tape.

Think about the story and how the people were asking Samuel for a king. What characteristics do you think would make a good king?

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
