Prayer

If you had the chance to build a holy space, what would it be like?

- What materials would you use, or would it be outdoors?
- Where might it be situated?
- What direction would it face?
- How would you invite people into the space?
- What focal point would you have?
- What would the space be designed for doing:

contemplating, listening, storytelling, preaching, singing, teaching, experiencing in some other way?

Father God, thank you for the the opportunities to consider how to better use space for you. **Amen**

Prayer Squares

You will need: coloured paper or thin card cut into squares with sides of 10cm, crayons, coloured pencils, stickers, wide ribbon, staples, stapler.

Choose a few squares in colours you like and draw on the squares things that you want to say thank you to God for, with one topic per square.

Attach the squares to the ribbon with staples/ stapler to form bunting. Display the bunting in your meeting place or in a place where more people will be able to see it.

Think about the story and how Solomon offered prayers to God. Think about different ways of praying and how we can pray in any place and no matter our age.

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
