Today is the Day of Pentecost. It is not a day to be shy, but a day to celebrate the breath of the Spirit come amongst us. Take a deep breath and give your instrument a blow. Make a noise to celebrate.

- What does it feel like to know that the Spirit of God breathes through you?

Pentecost Paper Chain

You will need: strips of , red, yellow, orange paper. If you don't have coloured paper use white paper and colour it in. Sparkly stickers, sticky dots (red, yellow, orange) to decorate & sticky tape.

Take your coloured strips of paper or colour them in. Decorate the strips with stickers. Make paper chains. Decorate your room with them.

Think about the story and the disciples seeing the Holy Spirit like flames. Think about how the Holy Spirit brought different people from different places together. Think about how we are all linked together.
