### Prayer Activity

*Today is Trinity Sunday. Draw a 3 leaf clover on a piece of paper, what other things come in three's? You could consider H<sub>2</sub>O and it sometimes being solid, liquid and vapour (ice, water, steam). Think about the words "Trinity" and "Unity". The Church has discussed this for centuries with no clear answer. Thank God that we still ponder the mystery of Father, Son & Holy Ghost.*

### **Journeying Feet**

***You will need: card, scissors, pencils, a shoe to use as a template, a sock (used but clean), newspaper or similar torn into strips, PVA glue & spreader, clothes pegs.***

***Take the card, draw around the shoe and cut it out. Scrunch up strips of newspaper and stuff the sock with the newspaper until it can be made into a foot shape. Spread a layer of glue onto the card foot and then stick the sock onto the foot-print, sole down. A couple of clothes pegs will hold the sock in place while glue dries.***

***Think about your favourite socks and different kinds of shoes you have. What kind of shoes would you wear when it's rainy, to the beach, to play running games, in the house and so on? Think about the story and the disciples being sent out on a journey. What kind of shoes would they have worn? Think of ways you can go and share the good news of Jesus.***
