

Activities for Sunday 19th July

Prayer Activity

Walk around your house, garden or outside looking for plants that have been grown and placed there for your pleasure. Perhaps there is a plant that is looking rather withered, forgotten about and not watered for a while. Perhaps there are some flowers, lovingly and kindly placed on display. Take some time to admire them close up, observe the less beautiful plants too. Look at the stems, the leaves, the petals, the stamen. Look at the water, the soil, the withered leaves. Perhaps smell them or gently touch them. Hold these experiences in your mind as you thank God for all we have.

Watch Matthew 13:24-30,36-43

Decorate A Plant Pot age 6-8

You will need: small plant pot (terracotta pots give more options for decorating), and stickers.

Take your pot and decorate it with any materials you have. We are to be like the good seeds growing and showing God's love. Think about ways we can do this.
