Prayer Activity

Hold a love heart shape

As you prepare for worship today think on times of testing, remembering how Moses was tested by the impatience of the Hebrews in the wilderness and how the Pharisees tested Jesus with difficult questions.

- *What testing times have you come through?*
- *How did you respond to those times?*
- *How have you grown through those times?*

Hearts Of Love

You will need: air-dry clay or salt dough (which can be made by mixing 1 cup of flour, ½ cup salt, ½ cup of water and 1 tablespoons of vegetable oil), coloured ribbon, scissors, pencils.

Take a ball of clay or salt dough and ask them to mould it into a heart shape. Push a pencil carefully through the top of the heart to make a hole. Take a piece of ribbon and thread it through the hole to allow the heart to hang.

Now carve out the word 'God' on one side and 'Others' on the other side to remind you this is a Heart of Love and God wants you not just to love him but to love others too.

Think about the story and how Jesus tells us to love God and to love other people. Think about how you can show people you love God and how you can show people you love them.

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
