

# Livingston Old Parish

## Activities for Sunday 15th November

Matthew 25: 14-30

<https://youtu.be/aJ1WZjQZDW4>

### Prayer Activity

Take a coin in your hand. Our churches have taken a financial hit this year, some more than others. A fundraising idea that has been used in a number of places involves giving people a set amount of money and asking them to go and use this wisely to raise more. In one church the minister bought watercolour paints and painted some pictures that were then sold. Others used the money to buy the ingredients for small-scale coffee mornings which they invited friends to come to and charged a fee or asked for a donation.

- If the church were to give you some money how would you use that to raise funds?
- Is this a fundraising idea that might work for your setting?
- Pray that our church finds way to raise money both for herself and to help others

### **Coin Rubbing**

***You will need: a variety of coins, crayons, paper.***

*Place paper over a coin and draw on that area with a crayon until relief of the coin shows. Repeat with different coins and different colours of crayon.*

*The talents referred to in the story were coins. Think about what we do with our money. Do we give to charities? Do you know any charities that our church supports? If you do not know any then ask some of the adults that go to church to help you find out. Perhaps you could organise a fundraising event.*

**Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>**
