

Livingston Old Parish

Activities for Sunday 3rd January 2021

John 1:(1-9),10-18

https://youtu.be/vj_50wjeQ0k

Prayer Activity

Write 'Word' colour it in.

Jesus is the Word we are told. And words are our way of communicating so if Jesus is the word then he came to communicate with the whole world. Jesus came to tell us about God's love—words are powerful and God's love is powerful.

Sing <https://youtu.be/jDZcBJH0vM>

The Light

You will need: card circle about 10cm in diameter, hole punch, blue, green and brown felt tip pens, small yoghurt tub, double sided sticky tape, card flame shape, glitter, PVA glue, glue spreaders, battery tea light.

Take your card circle and draw a world map using felt tip pens. Take a flame shape and cover it with glitter. Then attach the flame to the back of the globe using PVA glue.

Once the glue has dried attach the card to the side of the yoghurt pot using sticky tape. This should enable the globe to stand. Place the tea light in the yoghurt tub.

Think about different kinds of light. Consider the Christmas lights and candles you will have seen over recent weeks. Think about the difference light makes in the darkness and how Jesus is called the Light of the World, helping us all to see the way to live.

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
