### Prayer Activity

Think of the young people in the congregation or that you know. Think about how you have seen them grow and develop as people over time.

- What are your hopes and aspirations for them?
- How does seeing young people grow up make you feel?

### **Waiting**

***You will need: card circle about the size of a dinner plate, split pin, card, scissors, felt tip pens, pencils, rulers.***

*Take a card circle with centre point marked out and a hole punched. Divide the circle into twelve (clock like) on both sides using rulers and pencils. Draw a clock face on one side and twelve months of the year (names of months or small pictures depicting the seasons or combination) on the other side, using felt tip pens.*

*Make two pointer arrows, one for each side, which should then be attached with split pins.*

*Think about waiting through hours and months—Think back to your Advent calendars. Think about how Simeon and Anna waited for a long time, trusting God's promises. We have waited and are celebrating the birth of Jesus.*

**Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>**
