Prayer Activity

Make and hold a an invitation card.

As you prepare for worship reflect on your experience of being part of the church community.

- How did this come about?
- Who were the people that gave you encouragement to be part of this church community?

Thank You Lord for loving us. Amen.

A Group Of Followers age 3-5

You will need: card cut in to a body shape, coloured tissue paper, wrapping paper, coloured sweet wrappers, fabric scraps, buttons, scissors, PVA glue, glue spreaders.

Take your card person, and decorate it in whatever way you wish using any materials you wish to. For example, you could tear or scrunch up tissue paper, tear or cut out wrapping paper, stick on bits of fabric or sweet wrappers, add buttons and so on.

Think about how each person is different. Think about the story and how Jesus asked all sorts of different people to “come and see” and follow him. Think about all the different people being like a group of followers of Jesus just as they are

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
