Prayer Activity

If you are older, think about the younger generations around you and what you have been and are able to do for them. If you are younger, give thanks for what an older generation has done for you, and what you can offer by way of service to them.

- Who can you make contact with this week to offer a word of support and encouragement?
- Who can you contact to offer your service?

A Name Choice age 6-8

You will need: coloured card cut into coaster-sized circles, felt pens, flat stickers, glitter, laminating pouches or Sellotape. scissors

Take your circle of card and decorate one side with your name using the felt pens and stickers.

Think about the story and about God choosing to change the names of Abram and Sarai and think about why God might have changed their names. Think about Abram and Sarai being God's children and choosing these new names for them. Now consider the question raised at the end of the story about what name you might choose for your children and why you would make such a choice.

Now turn over the card and decorate the other side of your coaster with the name you have chosen as the one you might give your child or choose a new name for yourself. Now laminate their circle or cover in sellotape.

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
