Prayer Activity

Do you enjoy a picnic?

- Imagine you were preparing for a picnic in a favourite place, what would you pack?
- With whom would you want to share that picnic?

Imagine yourself in that favourite place, with your picnic and the people you want to share it with.

Thank you Lord for friends and food. Amen

Fish

You will need: CDs, funky foam, sticky dots, sticky gems, googly eyes, PVA glue, glue spreaders, scissors, pens.

Take a CD and attach a googly eye and sticky dots and/or gems to one side of the CD, with sticky dots/gems forming the scales of the fish. Draw and cut out a top fin, lower fin and tail shape from funky foam and then turn the CD over and attach fins and tail using glue.

Think about the story and Jesus meeting with the disciples on the beach. Think about picnics on the beach and the kind of foods you like. Think about Jesus sharing bread and fish with the disciples. How important are meals as places and times of conversation, connection and community.

Please post photo's of your crafts in the comments of the Sunday service post on our fb page. <https://www.facebook.com/livingstonoldparishchurch>
